Blackjack Rimfire Challenge 50yds (modified) - 22 cal (rimfire rifle or air rifle)

50 yard Rifle Range @ Flager Gun Club

1290 CR 90 East

Bunnell, FI 32110

08:00 AM - 12:00 PM EST

Stan Gruchawka ,

gruchawka@gmail.com

Sign in start's at 8 a.m. followed by warm up period before Match.

Six steel targets the sizes are 1 1/2 inch, 1 1/4" , 1" ,

3/4" , 1/2" , 1/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. In the event of a tie, the shooter with the lowest accumulated time takes first place. Rifle classes are the same as FGC KYL.

Sign in at 8 A.M, First Shots at 8:30.

Match fees. \$10 for members, \$20 for non-members.

Blackjack Rimfire Challenge 100 Yard Modified-22 cal. (Rimfire or Air Rifle)

rimfirekylmatch@yahoo.com

Six steel targets sizes are 2 inch, 1 3/4", 1 1/2", 1 1/4", 1", and 3/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. In the event of a tie, the shooter with the lowest accumulated time takes first place. Rifle classes are the same as FGC KYL.

The Pistol Range sets up for those who want to practice the 'Bullseye' style of shooting. Stop by if you are interested in learning or practicing this type of Pistol Shooting. Usually around 9 or 9:30 until late morning.

Shoot at 7, 15, or 25 yards. Pistol, Revolver, Iron or red dot sights. Mix and match your guns and shooting distance.

It goes by Bullseye rules as for targets and procedures. It is only a practice and you keep your own score.

Come out and have some fun.

Also please feel free to stop by the club house to donate \$5.00 to the club to cover range costs, targets, replacement target stands, etc., for the pistol range.

You will be given a receipt to give to the practice manager who will issue targets in exchange for the targets.

If you bring your own targets a donation is nice but not required, or you may purchase targets at the clubhouse.

Six steel targets the sizes are 1 1/2 inch, 1 1/4" , 1" ,

3/4" , 1/2" , 1/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. In the event of a tie, the shooter with the lowest accumulated time takes first place. Rifle classes are the same as FGC KYL.

Sign in at 8 A.M, First Shots at 8:30.

Six steel targets sizes are 2 inch, 1 3/4", 1 1/2", 1 1/4", 1", and 3/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. In the event of a tie, the shooter with the lowest accumulated time takes first place. Rifle classes are the same as FGC KYL.

Six steel targets sizes are 2 inch, 1 3/4", 1 1/2", 1 1/4", 1", and 3/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. Six steel targets sizes are 2 inch, 1 3/4", 1 1/2", 1 1/4", 1", and 3/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. In the event of a tie, the shooter with the lowest accumulated time takes first place. Rifle classes are the same as FGC KYL.

Six steel targets the sizes are 1 1/2 inch, 1 1/4" , 1",

3/4" , 1/2" , 1/4 inch. The scoring is also very simple. 1st target is 1 point, 2nd is 2 points, and so on, 3 4 5 and 6 points for the targets respectively. If you get all the way across that's 21 points, called blackjack.

Course of fire is "hit to move on" which means you have to hit a target before you engage the next one. You have to shoot them in order. If you shoot a target out of order, it counts as a miss. Points accumulate and are not lost on a miss. After the first run across you stay on the last target for an additional 21 points each time you hit it. You have 12 shots and 3 min. (3 min 30 sec for single shot loaders) to complete. 1 mandatory mag change is required unless using a single shot loader. In the event of a tie, the shooter with the lowest accumulated time takes first place. Rifle classes are the same as FGC KYL.

Sign in at 8 A.M, First Shots at 8:30.
